Brothers in Christ,

“Love your neighbor as yourself!” Jesus affirms the truth, originally found in the law of Moses, which the early church identified as a mark of discipleship. (Leviticus 19:18; Luke 10:27; Galatians 5:14; James 2:8)

In the spirit of loving our neighbors, ABMOPAD is issuing a booster call to assist our brothers and sisters in the American Baptist Churches of New Jersey as they plan to upgrade their ministry to youth. They are about to start a capital campaign to improve the facilities of Camp Lebanon, their Baptist Camp and Conference Center, but have an immediate need to replace roofs on two cabins.

Each roof costs \$2,000, so this call is for \$4,000 to enable them to move their plans forward now.

Ask the Lord how you should respond to this need, as an evidence of your love for your neighbor. Send your gift using the enclosed envelope.

In the Name of Jesus and for His sake.

Bill Scott

NATIONAL BOOSTER CALL #57

To all of our Brothers and Sisters in Christ:

I wish to support Pastor Scott's letter regarding our National Booster Call #57.

After searching for a booster call that the board would accept as our National Call, Pastor Bill Scott and I have been asked to prepare this call.

In our search we found it right next door in the state of New Jersey. The ABMOPAD Board voted to support the capital campaign at camp Lebanon. The camp has an urgent need to replace the roofs on some cabins.

As your Booster Chairman, I ask that you read Pastor Scott's letter and pray about the need and how you can support our Baptist youth.

In His Service,

Robert H. Swan, Sr
