

Booster Call 48
Support of Mission Trip to Dominican Republic
By First Baptist Church of Wellsboro, PA

July 5, 2003

Dear Booster Club member,

This letter is to inform you that by order of the Board of Managers of ABMOPAD, Booster call 48 is being issued.

Booster Call 47 is now closed for the Greene County Habitat for Humanity, and was very successful.

Please read the enclosed letter from Rev. David Waldo, our Pastor-Counselor, for the details of Booster Call #48.

The trip to the Dominican Republic is going to be quite costly, and we would like our contribution to make a great impact. The folks being helped really have a need for the school and medical supplies, and your financial support will help make both of these possible. The trip is scheduled for December of this year, and we will need you to send your contribution in as soon as you can.

The average giving has been above \$10 for the past few Booster Calls, and I pray that you will give as your heart leads. Remember that the overhead cost of the Booster Club is very low, and every dollar contributed will be sent directly in support of this trip.

I am writing to you for the first time as the Booster Chairman, and am excited to be in this new role. Please note the following address to send your contributions, or just use the enclosed envelope.

Thank you in advance for your generous contributions.

Yours in Christ,

Rob McQue
