Greetings to my fellow brothers in Christ,

God is working in our midst and in our lives. And now we can further show what Jesus means to us by helping those who do not know Him yet.

I have news to share with you regarding Booster Call #49! This Booster Call gives you the opportunity to be part of something bigger than your local men's group and fellowship.

This call is to help get the American Baptist Men – U.S.A (ABMen) back to where it once was. Many changes have happened on the national level, and it has been under the auspices of National Ministries. Now it is time that the ABMen Board wants and needs to take it back to let it stand on its own again, in order to serve the Men & Boys better in the ministry of outreach.

Please take the time to read the enclosed letter from Cody Pollington, President ABMen and Fred Robbins, Interim Executive Director, ABMen. After reading this letter I ask that you prayerfully consider what God would have you give in support of his work with the Men and Boys of our denomination.

Our previous call was for a mission trip to the Dominican Republic, and we were able to “answer the call” and send over \$4500 in support to the First Baptist Church of Wellsboro. The standard contribution was raised by the Board of Managers at the Fall meeting to \$10, but I pray that you will give as God leads you.

Please send checks made payable to “ABMOPAD Booster” to our Booster Chairman at the address below. There is an envelope enclosed for your convenience.
